Important Note:

By continuing, you agree that finding a provider on this site is **not a guarantee** of benefits coverage. It is *your* responsibility to:

- Contact the **provider** to verify **new patient status**, location and **participation in our network**.
- Contact your **health plan** administrator or human resource manager to verify **your benefit eligibility information**.

The online directory is for reference only. While every effort is made to ensure current, accurate data, changes occur daily and may not be reflected here.

Please remember that even if a provider is part of your network, it is always recommended to check your Schedule of Benefits to be sure that each provider’s specialty or the service you go in for is a covered benefit. It is always a good idea to call Tall Tree’s Customer Service Line for confirmation at (877) 453-4201. This list does not guarantee that a claim will be paid at the in- network rate.
